

1

- X1 (grey axle)
- X1 (blue pin)
- X1 (blue pin)
- X1 (orange cap)
- X1 (grey pin)
- X1 (blue pin)
- X1 (blue pin)
- X1 (blue pin)
- X1 (blue pin)
- X1 (grey pin)
- X2 (blue pin)

Assembly diagram for step 1 showing the placement of various pins and axles. A LEGO minifigure is shown holding a shovel, and another is shown with a snowplow blade.

2

- X1 (black plate)
- X3 (black axle)
- X2 (black pin)

Assembly diagram for step 2 showing the placement of black plates and axles.

3

- X1 (black plate)
- X1 (black plate)
- X1 (black plate)
- X1 (black pin)
- X2 (red pin)

Assembly diagram for step 3 showing the placement of black plates and pins.

4

- X2 (black plate)
- X2 (black plate)
- X4 (orange plate)
- X2 (black pin)

- X2 (black pin)

Assembly diagram for step 4 showing the placement of black and orange plates and pins.

5

- X1 (black plate)
- X1 (orange plate)

Assembly diagram for step 5 showing the placement of black and orange plates.

6

- X1 (black plate)
- X6 (black tire)
- X6 (grey axle)
- X1 (black pin)
- X1 (black pin)
- X2 (black pin)

- X6 (black tire)

Assembly diagram for step 6 showing the placement of tires and axles.

7

- X2 (yellow plate)
- X4 (black pin)
- X20 (orange plate)

Assembly diagram for step 7 showing the placement of yellow and orange plates and black pins.

8

- X2 (yellow plate)
- X2 (red plate)
- X2 (yellow plate)
- X1 (yellow plate)
- X6 (orange plate)

- 6 + 7

Assembly diagram for step 8 showing the placement of yellow, red, and orange plates. Reference to previous steps 6 and 7 is shown.

9

- X1 (orange bucket)
- X2 (yellow plate)
- X6 (orange plate)

Assembly diagram for step 9 showing the placement of an orange bucket and plates.

10

- X1 (yellow truck cab)

Assembly diagram for step 10 showing the placement of a yellow truck cab.

11

- 1 + 10

Assembly diagram for step 11 showing the placement of a yellow truck cab and an orange bucket. Reference to previous step 10 is shown.
